INTRODUCTION

The Silver State Youth Livestock Show & Expo is an open Junior Livestock Show, held under the supervision of the Lyon county Fair Board and/or Silver State Youth Livestock Show Volunteer Group in accordance with the Nevada Revised Statutes. Throughout the rules, “Board” refers to the Lyon County Fair Board and/or Silver State Youth Livestock Show Volunteer Group. The “Show” includes the Silver State Youth Livestock Show & Expo and Auction. The Board makes and enforces all rules for the show.

The purpose of the Silver State Youth Livestock Show & Expo is to provide an opportunity for youth between the ages of five (5) and eighteen (18) to exhibit their livestock projects; thus, promoting and providing the incentive for achieving and participating in the show encouraging sportsmanship, leadership, citizenship and responsibility of the highest order in the exhibitors. Youth may represent Future Farmers of America, 4-H, and Grange if they desire, but this is not required. Through the judging and placing of entries, modern livestock market standards are outlined and the education of members, leaders/advisors and parents/guardians regarding livestock industry trends is made possible.

As a part of the Show, the Board and Friends of the Lyon fair and SSYLS Foundation, Inc. offers a livestock sale for market animals.

NON-DISCRIMINATION STATEMENT

Lyon County Fair Board and/or The Silver State Youth Livestock Show & Expo Volunteer Committee does not discriminate against any person on the basis of race, color, national origin, gender, or handicap.

DOGS must be on leash and under the direct control of its owner at all times. NO dogs will be allowed in livestock areas or show rings.

Power may be limited – If you have a generator, you are welcome to bring it.

General Rules for all Exhibitors

Interpretation and Enforcement: The Board and Show Management reserve the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Show. An exhibitor or adult who violates any Show rule will be subject to expulsion from the Show and loss of any awards. Future participation in the Show will be at the discretion of the Board. Any dispute or question with regard to decisions of Show Management must be presented to the Grievance Committee in the appropriate manner.

Rule Review/Development: The Board will review the Show rules bi-annually, or as needed, in the winter. The Board will solicit rule suggestions from the public after every Show. A Committee, formed by the Board, will evaluate these suggestions and forward recommended changes to the Board. The Board, at a regular meeting will review, modify and vote on the changes.

HOW TO FILL OUT THE ENTRY FORM

- The **FIRST** thing you need to do is READ THE RULE BOOK!

The Rule Book of today is not the same book as last year. Suggestions from Youth, leaders, advisors, parents and others have been taken into consideration to improve the show.

- Read ALL the Entry Form.

This will allow you to know what information you need to fill out the form correctly.

- Now NEATLY PRINT your name, mailing address, county, club/chapter, phone number, age and correct birthday.

If this is unreadable you may not be correctly entered in to the system. This might delay mailings from the fair to you. Your correct birthday is very important, many fill out this line very quickly and put in the current year instead of the birth year. Your age is how old you were on January 1st of this year. **Peeweeps age on first day of show.**

- Open the Rule Book and find the Division you wish to enter.
- Start with your Showmanship class.

This is the most forgotten class. If you start here you won't be calling the office to add it to your entry form.

- Now your Market animal/s.

Do not forget to mark/enter if this animal is homegrown. If there is no indication of this, the animal will not be considered homegrown. When it is awarded Champion, it is too late to declare.

- Enter any Feeder animals.
- Now those Breeding animals.

LOOK at the division titles in the Rule Book. Turn the page and make sure you have the correct division. The first one might not be the correct one. If your breeding animals are not registered or eligible for registration, make sure you are not entered in that division. Usually those divisions are listed first.

If you can enter the classes in the same order as they are listed in the book, the office staff gratefully thanks you, as this makes things much easier for them. It will also help you on show day. You should always keep a copy of your entry form. Now you will be able to quickly see what animal goes into the show ring next.

- Fill in ALL the lines.

If your animal is registered make sure you have those numbers filled in. If you do not have registered animal fill in N/A. (Registered animals have a certificate of registry from the breed association).

- Don't forget to enter the Group classes.

Look at the class list and see what you can enter. Enter ONCE. You do not need to enter each animal. Write the class name -Pair of Females, etc. You have already entered the information on these animals on their individual lines. You may draw a small arrow pointed upwards to show that.

- Sheep and Goat exhibitors, you MUST fill in the Scrapie number. **NO EXCEPTIONS!** This includes your Market animal! There are two parts to a scrapie tag, the premise ID and the individual ID, ENTER BOTH!
- Advisors/Leaders, remember that you do not pre-enter the county group classes. They are entered upon arrival. The class will take place just after the Champion and Best Homegrown classes. The office will pre-enter any county or group that qualifies.
- **SIGNATURES!** All of them! You must have ALL signatures, or the entry cannot be processed.
- Attach your **ENTRY FEES** to the entry form and send it in.
- Don't forget to keep a copy for yourself.

Parents this will make your life much easier. It will give you a place to write the placings of those animals, for your child to enter into that record book.

Exhibitors of animals at livestock shows and fairs shall at all times deport themselves with honesty and good sportsmanship. Their conduct shall always reflect the highest standard of honor and dignity to promote the advancement of agricultural education.

Youth leaders working with junior exhibitors are responsible to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that the youth will be influenced by their example. Persons who violate the code of ethics will be prohibited from future exhibition.

The guidelines for exhibitors and livestock in competitive events are:

1. Exhibitors must present, upon request of show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or other facts is prohibited.
2. Owners, exhibitors or other responsible persons shall provide animal health certificates from licensed veterinarians upon request of fair officials.
3. Junior Exhibitors are expected to care for and groom their animals while at the fair or livestock show.
4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering is the giving of consent for show management to obtain specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals entered in an event with the animal entering the food chain shall not be administered drugs or substances other than in accordance with applicable federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with statutes, regulations and rules affect the animal's performance or appearance at the event.
5. If the laboratory tests of saliva, urine, blood or other sample taken from an animal indicates the presence of forbidden drugs or medication, this shall be prima facia evidence that such a substance has been administered to the animal internally or externally. It is presumed that the sample of urine, saliva, blood or other substance taken from the animal correctly reflect the condition of the animal at the time the sample was taken, with the burden of proving otherwise falling to the owner, exhibitor or responsible person at any hearing conducted by the fair or livestock show regarding the matter.
6. At any time after an animal arrives on the fair or livestock show premises, a licensed veterinarian shall administer all treatments involving the use of drugs and/or medications.
7. Any surgical procedure or injection of any foreign substance or drugs, or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation or appearance, except external applications of substances to the hooves or horns of animals which affect the appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
8. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivances or other similar practices are not acceptable and are prohibited.
9. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials, before, during or after the event is prohibited. Judges and other show officials are to be treated with courtesy, cooperation and respect.

		Lambs Produced 2 (.05)		= 1.0
			Total Score:	9.0

A record of each ewe lamb entered in the futurity will be retained in the SSYLS Office. Numerical scores will be added together to obtain a cumulative score at the end of each year. At the end of the three years of competition, the scores will be compared and the ewe with the highest overall score will be declared the winner.

TIE BREAKER: If ties result after the final competition, the lamb(s) of the ewes involved will be re-evaluated. The official judge will determine the winner on the basis of the quality of lamb(s) the ewe has produced.
