How Does the Futurity Work?

The Dairy Doe Futurity was initiated to encourage youth exhibitors to strive for excellence with their Dairy Doe breeding projects and management programs. All youth meeting the age requirements to exhibit at the SSYLS (see rule book page #2) are eligible to enter the SSYLS Multi-State Dairy Doe Futurity. Exhibitors 5 years of age (on first day of show) to 19 years of age are eligible. Youth exhibitors purchase or raise an Dairy Goat Kid, show it in the SSYLS Dairy Doe Futurity where the points (see point chart) will be entered in the Futurity Show Book and signed by the Futurity Judge and Dairy Goat Superintendent. The same dairy doe is then exhibited as a yearling, the next year in Class 2. The same dairy doe is shown in Class 3 with **ONE offspring** in the third year of the project. This is a three-year program.
Dairy does that are exhibited in other Livestock Show Futurities are welcome and encouraged to enter SSYLS "Multi-State Dairy Doe Futurity."
While doelings are not required to be registered, if they are, the registration paper must be transferred into the Youth exhibitor's name only.
